STRUCTURAL STABILITY CERTIFICATE

This is certified that the School building of **Daya Nand Public School**, situated **Jind Gohana Road**, at **Village ishapur Kheri, Tehsil Gohana, District Sonipat, Haryana**, is newly constructed with "A" class specification as per Plan attached. The structure form foundations to Roof is totally Constructed in cement sand, R.C.C. Work which is quite safe for structural Stability for School Building.

After visiting the spot on **12-06-2021**. I am of the firm opinion that the structure so provided is quite safe for School purpose in all respect.
